2007 Cub Scout Pow Wow / University of Scouting

***Fiesta Fun***  
***Learn, Live, Share***

Dear Fellow Scouters and Venturers,

Thank you for your interest in what may be the largest one day supplemental training event ever offered in Scouting in America! The Pow Wow/University truly has something for everyone. We are confident you will have a ***Fiesta Fun*** time and come away from this event with new ideas and resources to deliver the Scouting program.

The Pow Wow is an annual get-together of Tiger, Cub and WEBELOS Scout leaders from the entire council. It is a training opportunity that takes place in a festive (***Fiesta Fun***) atmosphere. Think of it as a "convention" for pack leaders—the Cubmaster should take all leaders to this learning extravaganza. There are dozens of classes on games, crafts, skits and puppets, ceremonies, unit administration, and the den. It's a time for parents and all experienced, new, and prospective leaders to share ideas and see what other packs are doing. Think of the Pow Wow as the Cub Scout College of the University of Scouting.

The University of Scouting provides you the opportunity to choose from over 125 course offerings in six colleges. The colleges are organized to help you locate courses of interest or ones that will benefit you in your current or future Scouting role. Three colleges are devoted to a major Scouting program area – Cub Scouts (the Pow Wow), Boy Scouts and Venturing. Be sure to also look at the General College. It offers classes of interest to Scouters involved in all program areas. If you have attended past University of Scouting programs, you may be interested in the College of Doctoral Studies. The new College of Council and District Operations provides training for Commissioners and District Committee members

Like any University, you build your own schedule when you register. For example, if you are involved with Cub Scouts, first look to the Pow Wow, then the General College for course offerings. But as Cubs grow up to become Boy Scouts, you may want to look for ideas in that college too! A Vendor Midway will be open all day with tons of Scouting related stuff to see, do, or buy. Even the Scout Shop will be there with supplies and materials.

Tuition is the same no matter how many courses you choose, but I'm guessing you will have a hard time limiting classes to a full day of 6 or 7. A couple of classes may have an additional fee to cover material costs, and those are listed in the course catalog. Taking a full day of classes (6 hours) earns you a Bachelors Degree and patch. If you attended previous a University of Scouting, two days of classes (12 hours) entitles you a Masters Degree and patch.

Lunch is included with your registration fee and is catered Subway<sup>®</sup> sandwiches, chips, beverage and a cookie. Please let us know of any special dietary concerns as we will accommodate them. Scouts from a local unit will be offering coffee, donuts, treats and other goodies for purchase throughout the day. Choose one of the two lunch periods in your schedule. Pow Wow participants should choose both lunch periods to make time for both lunch and the incredible hands-on Arts, Crafts, Activities and Games Midway

Watch for more information on the Pow Wow/University and other training in the Navigator and on the Council website: [www.northernstarbsa.org](http://www.northernstarbsa.org). Feel free to contact me with any questions or concerns.

The theme of this year's Pow Wow/ University is ***Fiesta Fun – Learn, Live, Share***. This is our promise – you will have fun! You will experience an outstanding educational opportunity to ***Learn***, we hope you ***Live*** the Scouting values and trust that you will ***Share*** what you learn and live with the youth we serve and future leaders yet to come! On behalf of the Council training committee, the Deans of each college and the rest of the event committee, I thank you for your interest. We'll see you on the 27th! (Bring 5 friends!)
